FRIDAY, SEPT. 19 - P. M.

The transactions of the Sub-Exchange during the week ending to-day have resulted in a loss to its general account of \$6,801,773, the total now being \$171,167,847, against \$177,972,539 a week ago.

In commercial circles the week was notable for a continued large exportation of grain and provisions. The grain market was excited and a material advance of prices took place, although the highest rates were not sustained at the close.

published have brought to the surface stocks supposed to have been buried beyond all redemption.

Government bonds were not active during the week, the total transactions at the Board amounting only to \$1,075,000, but they were strong generally and close the week at about the highest prices.

State bonds were unusually dull, the total business in all issues for the week amounting only to \$85,000. To-day, \$10,000 Louisiana consols were sold at 107.

Annexed are the closing quotations:

THE MONEY MARKET DURING THE WEEK.

The money market during the week ruled fairly steady at 6 per cent, with exceptions at 7 and 8 per cent.

THE STOCK MARKET DURING THE WEEK.

The stock market to-day was a whirl of excitement from the opening to the close. At the start the higher figures for the coal stocks attracted attention, and set conservative folks to wondering when, if ever, "this thing is to stop."

THE RECEIPTS OF THE WABASH RAILROAD.

The receipts of the Wabash Railroad for the week ending to-day are reported to be \$1,200,000.
